I support this application for the Bridge to Employment Programme

I understand and commit to the arrangements for participation in the Bridge to Employment programme. These include in Year One:

- *taking part in events organised on very limited occasions during the school day (team-building day; site visit; employability skills workshop session)*
- *participation in out-of-school hours learning activities (8 Seminars and Seminar Graduation event) over the session*
- *Completing entry-level British Safety Council qualification*
